Mystery of a Robe.

The local police have received a request to recover a musk ox dark lining robe that was supposed to have been either lost or stolen from an automobile on Parliament Hill last Saturday evening. The owner of the robe, the wife of a prominent politician, who was on the evening of the disappearance attending the drawing room, reports that when she left the automobile the robe was lying in the bottom of the cab and there was no chance whatever of it falling out. The chauffeur said that he took the automobile around the block and that on the way he turned around to see if his side curtains were safe. It was then that he missed the robe. The police think it very funny that the robe should have been stolen while the driver was in the car. They are investigating the matter and in the meantime if anybody should have found a robe answering to the above description the police would be much obliged if he would return the same to the police station.

Plea For Leniency.

Toronto, Nov. 24.—The petition being circulated among prominent men of the city to be placed before Justice Riddell, pleading for leniency in the sentence of Roy T. Brintnell found guilty of wilful neglect in the killing of Mrs. Henry Salter, of Oshawa, on October 5th, has been going the rounds for several days, and the list of names attached will be large.

ONLY FIVE DAYS MORE

The Dominion Government insist on us vacating premises on Thursday next, as they require the building for their own purposes. Before removing to another store we shall conduct the greatest slaughter sale in the annals of Canadian commerce.

The prices at which we have been selling goods have been nothing short of a sensation. In order to reduce our $20,000 stock we shall still further cut the prices, as this is a genuine whirlwind clean-up sale.

Let us tell you briefly part of this interesting bargain story.

Our sale of Rubbers up to date has surpassed anything on record, but we still have about 100 cases in stock, and in order to clear the lot in five days we have decided to mark them down to the following prices:—Men's Rubbers, 53c.; Ladies' Rubbers, 39c.; Misses' Rubbers, 33c.; Youths' Rubbers, 39c.; Men's Gum Rubbers, $1.29 to $1.69.

We have also procured three cases of valuable Furs, which will prove decidedly interesting.

A manufacturer in Montreal being pressed hard for cash was forced to sacrifice these Furs, which include sets and pieces in Otter, Wolf, Sable, etc., and as the price appealed to us we yielded to the temptation and procured the lot.

Early buyers will reap the benefit, as they go on sale at once.

Men's Waterproof Boots

Boys' Sweater Coats

One of the biggest bargains in the sale will be our Sweater Coats. We have about 100 sweaters of one line selling regularly for $1. We shall let them go today at the ridiculously low price of..... 39c

Pants! Pants! Pants!

1,000 Pairs of Men's Pants in fine worsted, frieze and other wool materials. All sizes from 32 to 44. Worth from $2 to $3 if bought any other time or place. The sale prices will be $1.19 to $1.59.

MRS. MOYNEUR WINS

Judge Gunn Decides Ownership of Le Temps Auto.

Judgement was given in the county court by Judge Gunn yesterday in the now famous case arising out of the award of an automobile in a contest conducted by Le Temps, a local French newspaper, last September. The car, a five seated Reo, was claimed by two ladies, Mrs. Moyneur, of Cobalt, and Mrs. Desormeaux, of Hull, and has been finally awarded to the former, with $50 costs on Mrs. Desormeaux.

Mrs. Desormeaux claimed the auto, but Mrs Moyneur sued Le Temps, which applied for an interpleader order to compel the complainants to fight the case out in court. Judge Gunn yesterday heard the evidence of the four judges of the contest, Mr. Emmanuel Tasse, chairman; Mr. Patry, of La Banque Provinciale; Mr. Louis Consineau, advocate, and Mr. Carriere, of Hull. After the sworn testimony of these gentlemen Judge Gunn gave judgment for Mrs. Moyneur as stated. M. J. Gorman, K.C., for Mrs. Moyneur; D'Arcy McGee for Mrs. Desormeaux.

Not Going to Fight.

Montreal, Nov. 24. — The numerous reports which have been published lately of Italians returning to their native land to fight against the Turks are termed "bosh" by Rev. E. Rivoire, of the Italian Y. M. C. A. of this city. Referring to the recent departures, he said that for years the experience had been that one-third of all Italians who came to the United States and Canada returned to Italy for the winter. Many of them made an annual trip across the ocean. Those who had sailed from Montreal belonged to that class and there was no call by the motherland for assistance in the war.

MINISTERS PRESENT

At Annual Supper of Institut Canadien Francais.

One of the most successful annual oyster suppers of the Institut Canadien Francais ever held by that body took place last night in the Monument National. An attendance of 300 members and their friends made the function a most successful and jovial affair. Many prominent men in the city favored the gathering with their presence, replying to the toasts. The program of toasts consisted of the first to the King, the second to the Federal parliament, proposed by Hon. W. B. Nantel, minister of inland revenue, and replied to by Senator Landry, speaker of the senate. The toast to the Institut came next on the list. Judge J. M. McDougal of Hull was the proposer, and Mr. C. A. Seguin, president of the society, answered it in a very enthusiastic address. Several good toasts to sister societies were also given. Mr. F. A. Labelle, president of the Monument National, answered to the toast given to that institution. The Alliance Francais also came under the names on the program, and its toast was answered by Mr. A. D. De Celles, president; Mr. C. S. O. Boudreault replied on behalf of St. John Baptiste, while Mr. J. L. K. Laflamme responded for the Press. The gathering broke up at midnight, after a most enjoyable evening.

DULUTH SHIPPINGS

Many Bushels of Grain Going Through Now.

Duluth, Minn., Nov. 24. — Upwards of 8,000,000 bushels of grain will be forwarded from this port within the next week. All tonnage available has been lined up by the shippers and an unusual movement is looked for during the closing week of navigation.

Today three cargoes of wheat cleared, the steamer St. Clair taking 285,000 bushels, the Christopher 200,000 bushels and the J. T. Hutchinson 170,000 bushels. Yesterday 1,045,000 bushels went out. Some of the grain which will be moved from here will be held in storage at Buffalo by the boats for spring delivery.

Local marine men are waiting for the arrival at Buffalo of the steamer Kerr. Their interest in the Kerr centers in her cargo, the most expensive of the season, 330,000 bushels of flax. Figuring on the basis of $2 a bushel, the cargo is valued at $660,000.

ANOTHER LEAGUE

Brockville Will Try to Form One in Upper Ottawa.

Whether or not the Renfrew Rivers are taken into the Ottawa section of the Interprovincial Amateur Hockey Union, it is likely that a new hockey association will be formed in the upper Ottawa. The Brockville club has reorganized and will be back in the game stronger than ever. They intended entering the Ontario Hockey Association, but finally decided to get into the Ottawa Valley. It is possible that they will unite with the Renfrew Rivers in forming a new league, the intention being to invite one or two other clubs to enter. It is probable, in fact, that this will be made another branch of the Interprovincial, which now has a splendid chance of expanding.

The Ottawa section will be organized at the O.A.A.C. Monday night, when the City League will be read out of business and the New Edinburgh, Cliffside, National, Ottawa University and Bank Note clubs formed into one what ought to be one of the finest amateur associations of which Ottawa has ever been able to boast. The Rivers will likely be known in future as the Renfrew Amateurs.

BOWLING.

OTTAWA LEAGUE ORGANIZES.

Mr. R. S. Raby, the well-known Civil Service League bowler, was elected president of the Ottawa Bowling League at a meeting held in the O. A. A. C. last evening to organize for the season. He succeeds Dr. Pinard, last year's president, while Frank Marshall was elected vice-president and C. Hubert Rogers secretary-treasurer. Seven teams were represented at the gathering, but although St. Patrick's had no delegate on hand they will likely enter, thus making it an eight-club organization instead of the ten that comprised it last season. Both the American Bank Note and Grand Trunk quintets have decided to retire and play in the Printers' League only. The season will start the first week in December, and another meeting will be held to draw up a schedule early next week. The prizes which were won last season have not yet been rewarded, but will be given out shortly, and another great season is looked for. The teams which were represented last night were: Y. M. C. A., C. E. Campbell; G. G. F. G., Fred Sharpe; O. A. A. C., G. J. Artz; Civil Service, R. S. Raby; Ottawas, Herb Mainguy; Centrals, Bert Rogers; Nationals, Dr. Pinard.

AGRICULTURE WIN TWO.

Although they had a majority of 207 pins on the match, the Agriculture Department only took two games from the Railway Commission sextet in their fixture in the Civil Service Bowling League on the O. A. A. C. alleys last evening. The Agriculturists had 165 pins to spare on the first game and 163 on the second, but they were 61 pins in arrear on the last one.
