Highly Enjoyable Event in Keeping With Tradition.

Gaiety, good-fellowship and addresses sparkling with humor and reminiscences were very much in evidence at the annual oyster supper of members of Institut Canadien-Francais, Ottawa's pioneer literary and social club, which was held Saturday evening in the quarters of the Hull Regiment.

Mr. A. H. Beaubien, president of Institut, was the chairman and toastmaster. About 100 members and friends attended the supper. Several toasts were proposed and duly honored. Addresses were delivered by President Beaubien, Mr. R. E. Cheyette, M.P., Mr. J. Albert Poirer, M.L.A., Mr. Arthur Beauchamp, Mr. A. J. Major, Dr. R. H. Parent, Mr. Hector Laperriere, Mr. J. A. Larocque, and others.

Following the supper, the members returned to Institut clubrooms on Rideau street, where a programme of songs and music brought the enjoyable festive evening to a close.

DR. MILNE SPEAKS AT 'Y' FIRESIDE SERVICE

Dr. J. W. H. Milne, was the speaker at a well attended Fireside Service at the Y.M.C.A. yesterday afternoon. Dr. Milne chose as his subject, "Why I believe in God." His original conception of God had been very crude, according to the speaker, but had developed greatly, as the great thinkers of the world had arisen. Men were apt to label anything they did not understand, particularly when it applied to God. Electricity was not understood, but nevertheless there was a profound belief in it among men. The greatest thinkers in all lines of endeavor, science, literature, mathematics, were deep believers in the Divine. The belief in God everywhere resulted in the highest order of civilization, and in the cases where it was not present, the opposite prevailed. Jesus was the supreme revelation of God. Professed atheists were always found to be pagans in the lines of thought they represented.

COL. HARVEY'S CASE UP NOVEMBER 29

Lieut.-Col. V. V. Harvey, former officer of Rideau Lawn Tennis Club, appeared in police court Saturday morning, charged with misappropriation of the club's funds to the extent of \$524.36. He was remanded until November 26. He is at present out on bail. Col. Harvey is alleged to have failed to turn in a number of membership fees, and also to have overcharged members dinner and refreshment bills. He was charged with misappropriation of the club's funds to the extent of \$524.36, a much larger sum, amounting to \$1,500, is alleged to be missing. The alleged misappropriation by Col. Harvey extended nearly one year from May 1, 1921, to March 23, 1922. A warrant was sworn out for Col. TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness. Common garden sage brewed into heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wytch's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients. While wispy, gray, faded hair is not strict, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wytch's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so easily. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

She Is As Happy As a Girl, Says Mrs. Devost

"Since Tanlac has restored my health I feel as bright and happy as a girl," said Mrs. Frank Devost, 37 Laurier Ave., Sherbrooke, P.Q. "Before I took Tanlac I was in such a poor state of health my husband had arranged for me to break up housekeeping and go to boarding for I was unable to look after my household duties. For three years my appetite had been poor, and my stomach so disordered that I suffered agonies from indigestion after every meal. My nerves were completely shattered and I hardly ever slept more than half the night. I suffered terribly from headaches and spells of dizziness. I lost weight and strength until it didn't look like I could keep going much longer. "But I can tell a different story now for Tanlac has restored my appetite and put my stomach in condition where I never feel a touch of indigestion. I sleep soundly and never suffer from headaches and spells of dizziness. I lost weight and strength until it didn't look like I could keep going much longer. OBSERVE ANNIVERSARY OF NOTABLE BATTLE

Col. Edwards Entertains Former Officers of 38th Battalion.

To mark the sixth anniversary of the notable achievements of the 38th Canadian Infantry Battalion at Desire Trench on Nov. 18, 1918, Colonel C. M. Edwards, D. S. O., A. D. C., entertained a representative gathering of former officers of this unit at dinner at the Homestead Inn, Saturday evening. The function was essentially in keeping with the fine "Esprit de corps" which marked the 38th Battalion in its war days. Tribute was paid Col. Edwards, its original commander, for his untiring efforts to maintain the proud tradition of the unit and the happy decision was made to hold an annual re-union dinner in future years. The most suitable date will be selected by a committee of the former officers. Honored guests included General J. H. MacBrien, C. B., C. M. G., D. S. O., Chief of General Staff, and Col. R. H. Webb, D.S.O., M.C., of Montreal, who served with the 38th in 1917. Both recalled the record of the regiment overseas and brief addresses appreciative of Col. Edwards, hospitality and reminiscence of years of overseas service were made by Col. Oliver, Col. Parkinson, Major Wood, Capt. Stewart, Capt. Seager and Lt. Crear.

When You Buy Pork You Like Choice Meat

YOUR own sense tells you the dried-up, scraggly meat is not so good as the choicer cut. It's what the animal has been fed that makes the meat good. Just so with you and your children. The larger pig grows above has been fed milk, the smaller does not know what milk tastes like, otherwise their food has been the same. How about your children—are they strong, healthy and plump? If not, try a quart of milk a day for each one of them and you'll soon see the difference.

Not a Laxative

Nujol is a lubricant—not a medicine or laxative—so cannot grip.

When you are constipated, not enough of Nature's lubricating liquid is produced in the bowel to keep the food waste soft and moving. Doctors prescribe Nujol because it acts like a natural lubricant and thus replaces it. Try it today.

Our portrait is of Mr. MICHAEL T. ROONEY, of 15, Grenville Avenue, Long Eaton, England, who writes:—

"Some years ago whilst touring Ireland with 'Sanger's Royal Circus' I contracted some kind of an irritable skin complaint, which seemed to battle different treatments in the way of ointments and lotions, all of which utterly failed to give me the slightest relief. Recently at Long Eaton, where I am engaged as Advertising Manager of 'The Pictorial', the conductor there begged me to try Clarke's Blood Mixture, but I refused. However, he, knowing its curative powers from experience, made me a present of a bottle, which I began to take. Recording a slight improvement in my limbs. I got another bottle, and continued the treatment until I had used four bottles, and now my skin is perfectly healthy again."

Sufferers from Bad Legs, Abscesses, Ulcers, Glands, Swellings, Eruptions, Itchings, etc. should realize that lotions and ointments can but give temporary relief—to be sure of complete and lasting benefit, the blood must be thoroughly cleansed of the impure waste matter, the true cause of such troubles. Clarke's Blood Mixture quickly attacks, overcomes, and expels the impurities, that is why so many remarkable recoveries stand to the credit. Pleasant to take, and free from injurious ingredients.
