There is a home not made by hands,  
Beyond its golden door  
Awaits the one who's now away,  
Not lost just gone before.  
And in that home not made by hands  
The Master will prepare  
A place for us, and when he calls  
We'll meet our loved ones there.  
Just a thought of sweet remembrance,  
Just a memory fond and true,  
Just a token of affection  
And a heartache still for you.  
More each day we miss you,  
Though our thoughts are not revealed,  
Little do they know the sorrow  
That is within our hearts concealed.

You're a Real Angel

If an angel is someone who's so filled with love, it's a gift that they constantly share. If an angel is someone who looks out for others and gives them a nudge here or there. If an angel is someone who touches your life with a heart that's both joyful and wise. Then even though you don't have halo or wings, you're an angel in human disguise. Sadly missed by your husband Roger, children, Julie, Jean, Luc and Debbie and 10 grandchildren.

**O'REE, Willy**

I awoke again this morning, the same way I have for the past year: with hope it was a bad dream, the wish I could once again smell your cologne as you got ready for the day, the dread knowing I would never hold you again. I know life must go on, and that you left us with memories of a man filled with love for your family, but the memories don't make the pain go away. It still lingers like the memory of your booming voice, wonderful laugh, and arms that made us feel safe. I am lighting four candles to help us. The first will represent our intense grief, no one knows the depth of the our pain. The second for our courage to face our sorrow, comfort each other, and go on with our lives. The third is in memory of you Willy, for the times we laughed and cried, for those short lived angry times, the silly and wonderful things you did, and also the caring and loving that you so freely gave. The fourth candle we will light for our love, and so your light will always shine for the world to see. I thank God for the gift that your living brought us. We love you so, will always remember you, and hope we are soon blessed with the faith and the peace of knowing we will be together again someday. - Jude, Boo, and Your Boy.

**STANTON, Patrick James****June 14, 1954 - November 22, 2008**

**STANTON, Patrick James****November 22, 2008****In Loving Memory**

I do not need a special day  
To bring you to my mind,  
For the days I do not think of you  
Are very hard to find.  
If all this world were mine to give,  
I would give it, yes and more,  
To see your face, Pat,  
Come smiling through the door.  
- Your beloved wife and best friend,  
Louise
